- I certify that I am the person registered to write this exam.
- I understand that there are NO scheduled breaks during the exam. Furthermore, I will abide by the Exam Terms and Conditions and Exam Policies that I read and agreed to when I scheduled my exam and that are posted on IFSE's website.
- I understand that this is a confidential and secure exam, protected by the laws in Canada and elsewhere. I acknowledge that the exams are the exclusive property of IFSE and IFSE is the sole holder of the copyrights to these exams.
- I agree that I will not, at any time, discuss the content of the exam with anyone and I will not, at any time, record, copy, or disclose any exam question or answer, in whole or in part, in any form or by any means (orally; in writing; online; in any Internet "chat room," message board, social media, or forum; or otherwise). I understand that such actions are an infringement on IFSE's copyright.
- I agree to conduct myself ethically and professionally before, during, and after the exam, and specifically, I will abide by the [Student Code of Conduct](#) found on IFSE's website.
- I understand and agree that if I provide false information, or if I violate IFSE's terms and conditions, policies, Student Code of Conduct, or the terms of this NDA, the proctor may immediately terminate my exam and I may be subject to disciplinary action.
- At the time of registration with IFSE, you acknowledged and agreed to authorize IFSE to disclose information about your participation in an IFSE course or program to your employer, sponsoring organization, prospective employers, and/or any applicable regulatory authorities in the Purchase Terms and Conditions (the "Terms"). In accordance with the Terms, IFSE may, in its sole discretion, report details of your participation in an IFSE course, including conduct, to your employer, sponsoring organization, prospective employers, and/or any applicable regulatory authorities.
- I acknowledge that these exams are part of the insurance licensing or securities registration process overseen by the applicable regulatory body, whose responsibility is to protect consumers and investors. The objective of these exams is to evaluate my knowledge, skills, and abilities for the purpose of licensure or registration.
